

Sec. 44-3. - Council action on petition for referendum.

Upon receipt of the report regarding the validation of signatures, the city clerk shall read a summary of the same into the record. Within fourteen days thereafter, the council shall determine the sufficiency of the petition. Should the council find such petition sufficient, it shall vote within thirty days to either repeal the subject ordinance, or by ordinance forthwith order and provide for the submission of such proposed referendum in its original form to a vote of the electors of the city.
