(Ord. 45-88. Passed 6-14-88.)

373.14 IMPOUNDING OF BICYCLES AND/OR TRICYCLES.

(a) Whenever any person operates a bicycle or tricycle in violation of any section of this Traffic Code, the bicycle and/or tricycle may be seized by any member of the division of Police and the Chief of Police shall have the authority to impound any bicycle or tricycle at the police station. An impounded bicycle shall not be released to a minor.

373.04 TRAFFIC CODE APPLICATION.

Every person riding a bicycle or tricycle upon a street shall be granted all of the rights and shall be subject to all of the duties applicable to the driver of a vehicle by the laws of the State, or by the traffic ordinances of the City applicable to the driver of a vehicle, except as to special regulations in this chapter which, by their nature, can have no application.

It shall be legal to ride a bicycle or tricycle upon a street or public way, subject to the following:

(a) Every person operating a bicycle or tricycle upon a roadway shall ride within three feet of

the right edge of the roadway when practicable, obeying all traffic rules applicable to vehicles and exercising due care when passing a standing vehicle or one proceeding in the same direction.

(b) Persons riding bicycles or tricycles upon a roadway shall ride single file in a single lane, except on paths or parts of roadways set aside for the exclusive use of bicycles or tricycles.

(c) Wherever a designated path for bicycles and tricycles has been provided adjacent to a street, bicycle and tricycle riders shall use such path and shall not use the street. At no time shall a bicyclist or bicyclist under the age of seven operate a bicycle or tricycle on a street.

(d) No person shall ride a bicycle or tricycle on the pavement or berm of major streets that are posted as prohibiting bicycle riding. Those posted streets shall be designated by the Director of Public Safety.

(e) Whenever a person is riding a bicycle or tricycle upon a street, such person shall yield the right of way to any pedestrian.

(c) Any bicycle or tricycle impounded under the provisions of this Traffic Code shall be surrendered to the owner or to the parents or guardian of any minor upon showing sufficient proof of ownership of the bicycle or tricycle, but nothing herein shall relieve the offender of any penalty that may be imposed under the general penalty section of this chapter.

CHAPTER 373 Bicycles

373.14 IMPOUNDING OF BICYCLES AND/OR TRICYCLES.

(a) Whenever any person operates a bicycle or tricycle in violation of any section of this Traffic Code, the bicycle and/or tricycle may be seized by any member of the division of Police and the Chief of Police shall have the authority to impound any bicycle or tricycle at the police station. An impounded bicycle shall not be released to a minor.

(b) When any bicycle or tricycle has been seized and so impounded, notice shall be made forthwith by the officer in charge to the owner of the bicycle or tricycle or, in the event the person is a minor under the age of eighteen years, such notice shall be made to the parent or guardian of the licensee of the bicycle or tricycle. The notice shall contain a full explanation of the reason for seizing and impounding the bicycle or tricycle.

(c) Any bicycle or tricycle impounded under the provisions of this Traffic Code shall be surrendered to the owner or to the parents or guardian of any minor upon showing sufficient proof of ownership of the bicycle or tricycle, but nothing herein shall relieve the offender of any penalty that may be imposed under the general penalty section of this chapter.

(d) It shall be the duty of the police officer or the person in charge of records to keep in an appropriate book or file the names and addresses of all owners of bicycles and tricycles impounded, the name and address of the violator if he is not the owner, the license number and the serial number of the bicycle or tricycle, together with the nature and circumstances of each violation, as well as the disposition of each case.

(Ord. 45-88. Passed 6-14-88.)

373.15 ELECTRIC BICYCLES.

(a) (1) The operation of a class 1 electric bicycle and a class 2 electric bicycle is permitted on a path set aside for the exclusive use of bicycles or on a shared-use path, unless the Municipality by resolution, ordinance, or rule prohibits the use of a class 1 electric bicycle or class 2 electric bicycle on such a path.

(2) No person shall operate a class 3 electric bicycle on a path set aside for the exclusive use of bicycles or a shared-use path unless that path is within or adjacent to a highway or the Municipality by resolution, ordinance, or rule authorizes the use of a class 3 electric bicycle on such a path.

(3) No person shall operate a class 1 electric bicycle, a class 2 electric bicycle or a class 3 electric bicycle on a path that is intended to be used primarily for mountain biking, hiking, equestrian use, or other similar uses, or any other single track or natural surface trail that has historically been reserved for nonmotorized use, unless the Municipality by resolution, ordinance or rule authorizes the use of a class 1 electric bicycle, a class 2 electric bicycle, or a class 3 electric bicycle on such a path.

(4) Subsections (a)(2) and (a)(3) of this section do not apply to a law enforcement officer, or other person sworn to enforce the criminal and traffic laws of the state, using an electric bicycle while in the performance of the officer's duties.

(b) (1) No person under sixteen years of age shall operate a class 3 electric bicycle; however, a person under sixteen years of age may ride as a passenger on a class 3 electric bicycle that is designed to accommodate passengers.

(2) No person shall operate or be a passenger on a class 3 electric bicycle unless the person is wearing a protective helmet that meets the standards established by the Consumer Product Safety Commission or the American Society for Testing and Materials.

(c) (1) Except as otherwise provided in this subsection, whoever operates an electric bicycle in a manner that is prohibited under subsection (a) of this section and whoever violates subsection (b) of this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

(2) The offenses established under subsection (c)(1) of this section are strict liability offenses and strict liability is a culpable mental state for purposes of Ohio R.C. 2901.20. The designation of these offenses as strict liability offenses shall not be construed to imply that any other offense, for which there is no specified degree of culpability, is not a strict liability offense.

(2) No person shall operate a class 3 electric bicycle on a path set aside for the exclusive use of bicycles or a shared-use path unless that path is within or adjacent to a highway or the Municipality by resolution, ordinance, or rule authorizes the use of a class 3 electric bicycle on such a path.

(3) No person shall operate a class 1 electric bicycle, a class 2 electric bicycle or a class 3

electric bicycle on a path that is intended to be used primarily for mountain biking, hiking, equestrian use, or other similar uses, or any other single track or natural surface trail that has historically been reserved for nonmotorized use, unless the Municipality by resolution, ordinance or rule authorizes the use of a class 1 electric bicycle, a class 2 electric bicycle, or a class 3 electric bicycle on such a path.

(4) Subsections (a)(2) and (a)(3) of this section do not apply to a law enforcement officer, or other person sworn to enforce the criminal and traffic laws of the state, using an electric bicycle while in the performance of the officer's duties.

If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

(2) The offenses established under subsection (c)(1) of this section are strict liability offenses and strict liability is a culpable mental state for purposes of Ohio R.C. 2901.20. The designation of these offenses as strict liability offenses shall not be construed to imply that any other offense, for which there is no specified degree of culpability, is not a strict liability offense.
