(b) This section does not relieve the driver of a public safety vehicle or coroner's vehicle from the duty to drive with due regard for the safety of all persons and property upon the street.

(c) This section applies to a coroner's vehicle only when the vehicle is operated in accordance with Ohio R.C. 4513.171. As used in this section, "coroner's vehicle" means a vehicle used by a coroner, deputy coroner or coroner's investigator that is equipped with a flashing, oscillating or rotating red or blue light and a siren, exhaust whistle, or bell capable of giving an audible signal.

(a) When the failure of a motor vehicle operator to yield the right-of-way to a public safety vehicle as required by Section 331.21 (a) impedes the ability of the public safety vehicle to respond to an emergency, any emergency personnel in the public safety vehicle may report the license plate number and a general description of the vehicle and the operator of the vehicle to the law enforcement agency exercising jurisdiction over the area where the alleged violation occurred.

(b) (1) Upon receipt of a report under subsection (a) of this section, the law enforcement agency may conduct an investigation to attempt to determine or confirm the identity of the operator of the vehicle at the time of the alleged violation.

(2) If the identity of the operator at the time of an alleged violation of Section 331.21(a) is established, the law enforcement agency has probable cause to issue either a written warning or a citation for that violation, and the agency shall issue a written warning or a citation to the operator.

(2) If a person who is issued a citation for a violation of Section 331.21(a) based on a report filed under subsection (a) of this section does not enter a written plea of guilty and does not waive the person's right to contest the citation but instead appears in person in the proper court to answer the charge, the trier of fact cannot find beyond a reasonable doubt that the person committed that violation unless the emergency personnel who filed the report appears in person in the court and testifies.

(d) As used in this section:

(1) "License plate" includes any temporary motor vehicle license registration issued under Ohio R.C. 4503.182 or similar law of another jurisdiction.

(b) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

If the offender commits the offense while distracted and the distracting activity is a contributing factor to the commission of the offense, the offender is subject to the additional fine established under Section 303.991 of the Traffic Code.

(b) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

If the offender commits the offense while distracted and the distracting activity is a contributing factor to the commission of the offense, the offender is subject to the additional fine established under Section 303.991 of the Traffic Code.

(b) Excepting public safety vehicles proceeding in accordance with Section 331.21 or when directed otherwise by a police officer, pedestrians and the operators of all vehicles shall yield the right of way to each vehicle that is a part of a funeral procession. Whenever the lead vehicle in a funeral procession lawfully enters an intersection, the remainder of the vehicles in the procession may continue to follow the lead vehicle through the intersection notwithstanding any traffic control devices or right-of-way provisions of this Traffic Code, provided that the operator of each vehicle

exercises due care to avoid colliding with any other vehicle or pedestrian.

(c) No person shall operate any vehicle as a part of a funeral procession without having the headlights of the vehicle lighted and without displaying a purple and white or an orange and white pennant in such a manner as to be clearly visible to traffic approaching from any direction.

(d) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.
