(ORC 4511.19)

(d) Physical Control.

(1) As used in this subsection, “physical control” means being in the driver’s position of the front seat of a vehicle and having possession of the vehicle’s ignition key or other ignition device.

(2) A. No person shall be in physical control of a vehicle if, at the time of the physical control, any of the following apply:

1. The person is under the influence of alcohol, a drug of abuse, or a combination of them.

2. The person’s whole blood, blood serum or plasma, breath, or urine contains at least the concentration of alcohol specified in subsection (a)(1)B., C., D. or E. hereof.

3. Except as provided in subsection (d)(3) of this section, the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person’s whole blood, blood serum or plasma, or urine that equals or exceeds the concentration specified in subsection (a)(1)J. hereof.

B. No person under twenty-one years of age shall be in physical control of a vehicle while under the influence of alcohol, a drug of abuse, or a combination of them or while the person’s whole blood, blood serum or plasma, breath, or urine contains at least the concentration of alcohol specified in subsection (b)(1) to (4) hereof.

(3) Subsection (d)(2)A.3. of this section does not apply to a person who is in physical control of a vehicle while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person’s whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in subsection (a)(1)J. hereof, if both of the following apply:

A. The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.

B. The person injected, ingested, or inhaled the controlled substance in accordance with the health professional’s directions.

(e) Evidence; Tests.

(1) A. In any criminal prosecution or juvenile court proceeding for a violation of subsection (a)(1)A. of this section or for an equivalent offense that is vehicle-related, the result of any test of any blood, oral fluid, or urine withdrawn and analyzed at any health care provider, as defined in Ohio R.C. 2317.02, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

B. In any criminal prosecution for a violation of subsection (a) or (b) of this section or for an equivalent offense that is vehicle-related, the court may admit evidence on the presence and concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant’s whole blood, blood serum or plasma, breath, urine, oral fluid, or other bodily substance at the time of the alleged violation as shown by chemical analysis of the substance withdrawn within three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in Ohio R.C. 4511.192(A) as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the presence and concentration of alcohol, drugs of abuse, or a combination of them as described in this division when a person submits to a blood, breath, urine, oral fluid, or other bodily substance test at the request of a law enforcement officer under Ohio R.C. 4511.191 or a substantially equivalent municipal ordinance, or a blood or urine sample is obtained pursuant to a search warrant. Only a physician, a registered nurse, an emergency medical technician-intermediate, an emergency medical technician-

paramedic, or a qualified technician, chemist, or phlebotomist shall withdraw a blood sample for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath, oral fluid, or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division, if in that person's opinion, the physical welfare of the person would be endangered by the withdrawing of blood. The bodily substance withdrawn under this subsection (d)(1)B. shall be analyzed in accordance with methods approved by the Director of Health by an individual possessing a valid permit issued by the Director pursuant to Ohio R.C. 3701.143.

C. As used in subsection (e)(1)B. of this section, "emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in Ohio R.C. 4765.01.

(2) In a criminal prosecution or juvenile court proceeding for violation of subsection (a) of this section or for an equivalent offense that is vehicle related, if there was at the time the bodily substance was withdrawn a concentration of less than the applicable concentration of alcohol specified in subsections (a)(1)B., C., D. and E. of this section, or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of subsection (a)(1)J. of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. This subsection does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of subsection (b) of this section or for an equivalent offense that is substantially equivalent to that subsection.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney, immediately upon the completion of the chemical test analysis.

If the chemical test was obtained pursuant to subsection (e)(1)B. hereof, the person tested may have a physician, a registered nurse, or a qualified technician, chemist or phlebotomist of the person's own choosing administer a chemical test or tests, at the person's expense, in addition to any administered at the request of a law enforcement officer. If the person was under arrest as described in division (A)(5) of Ohio R.C. 4511.191, the arresting officer shall advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. If the person was under arrest other than described in division (A)(5) of Ohio R.C. 4511.191, the form to be read to the person to be tested, as required under Ohio R.C. 4511.192, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

(4) A. As used in subsections (e)(4)B. and C. of this section, "national highway traffic safety administration" means the National Traffic Highway Safety Administration established as an administration of the United States Department of Transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105.

B. In any criminal prosecution or juvenile court proceeding for a violation of subsection (a) or (b) of this section, of a municipal ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, or of a municipal ordinance relating to operating a vehicle with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, oral fluid, or urine, if a law enforcement officer has administered a field sobriety test to the operator of

the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including but not limited to any testing standards then in effect that were set by the National Highway Traffic Safety Administration, all of the following apply:

1. The officer may testify concerning the results of the field sobriety test so administered.
2. The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.
3. If testimony is presented or evidence is introduced under subsection (e)(4)B.1. or 2. of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

C. Subsection (e)(4)B. of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that subsection, from considering evidence or testimony that is not otherwise disallowed by subsection (e)(4)B. of this section. (ORC 4511.19; 4511.194)

(f) Forensic Laboratory Reports.

(1) Subject to subsection (f)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of subsection (a)(1)B., C., D., E., F., G., H., I., or J. or (b)(1), (2), (3) or (4) of this section or for an equivalent offense that is substantially equivalent to any of those subsections, a laboratory report from any laboratory personnel issued a permit by the Department of Health authorizing an analysis as described in this subsection that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this subsection shall be admitted as prima- facie evidence of the information and statements that the report contains. The laboratory report shall contain all of the following:

- A. The signature, under oath, of any person who performed the analysis;
- B. Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;
- C. A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;
- D. An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the Department of Health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in subsection (f)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in subsection (f)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the

defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(g) Immunity From Liability For Withdrawing Blood. Except as otherwise provided in this subsection, any physician, registered nurse, emergency medical technician-intermediate, emergency medical technician-paramedic, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or Ohio R.C. 4511.191 or 4511.192, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section or Ohio R.C. 4511.191 or 4511.192, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this subsection also extends to an emergency medical service organization that employs an emergency medical technician-intermediate or emergency medical technician-paramedic who withdraws blood under this section. The immunity provided in this subsection is not available to a person who withdraws blood if the person engaged in willful or wanton misconduct.

As used in this subsection, "emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in Ohio R.C. 4765.01.

(h) General OVI Penalty.

(1) Whoever violates any provision of subsections (a)(1)A. to I. or (a)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. Whoever violates subsection (a)(1)J. of this section is guilty of operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance. The court shall sentence the offender for either offense under Ohio R.C. Chapter 2929, and this Traffic Code, except as otherwise authorized or required by subsections (h)(1)A. to E. of this section:

A. Except as otherwise provided in subsections (h)(1)B., C., D. or E. of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the following:

1. If the sentence is being imposed for a violation of subsections (a)(1)A., B., C., D., E., or J. of this section, a mandatory jail term of three consecutive days. As used in this subsection, three consecutive days means seventy-two consecutive hours. The court may sentence an offender to both an intervention program and a jail term. The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense exceed six months.

The court may suspend the execution of the three-day jail term under this subsection if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to Ohio R.C. 2929.25 and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under Ohio R.C. 5119.38.

The court also may suspend the execution of any part of the three-day jail term under this subsection if it places the offender under a community control sanction pursuant to Ohio R.C. 2929.25 for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the program. The court may require the offender, as a condition of community control and in addition to the required attendance at a drivers' intervention program, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Ohio R.C. Chapter 5119 by the Director of Mental Health and Addiction Services that the

operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose on the offender any other conditions of community control that it considers necessary. If the court grants unlimited driving privileges to a first-time offender under Ohio R.C. 4510.022, all penalties imposed upon the offender by the court under subsection (h)(1)A.1. of this section for the offense apply, except that the court shall suspend any mandatory or additional jail term imposed by the court under subsection (h)(1)A.1. of this section upon granting unlimited driving privileges in accordance with Ohio R.C. 4510.022.

2. If the sentence is being imposed for a violation of subsection (a)(1)F., G., H. or I. or (a)(2) of this section, except as otherwise provided in this subsection, a mandatory jail term of at least three consecutive days and a requirement that the offender attend, for three consecutive days, a drivers' intervention program that is certified pursuant to Ohio R.C. 5119.38. As used in this subsection, three consecutive days means seventy-two consecutive hours. If the court determines that the offender is not conducive to treatment in a drivers' intervention program, if the offender refuses to attend a drivers' intervention program, or if the jail at which the offender is to serve the jail term imposed can provide a drivers' intervention program, the court shall sentence the offender to a mandatory jail term of at least six consecutive days.

If the court grants unlimited driving privileges to a first-time offender under Ohio R.C. 4510.022, all penalties imposed upon the offender by the court under subsection (h)(1)A.2. of this section for the offense apply, except that the court shall suspend any mandatory or additional jail term imposed by the court under subsection (h)(1)A.2. of this section upon granting unlimited driving privileges in accordance with Ohio R.C. 4510.022.

The court may require the offender, under a community control sanction imposed under Ohio R.C. 2929.25, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Ohio R.C. Chapter 5119 by the Director of Mental Health and Addiction Services, in addition to the required attendance at drivers' intervention program, that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose any other conditions of community control on the offender that it considers necessary.

3. In all cases, a fine of not less than three hundred seventy-five dollars (\$375.00) and not more than one thousand seventy-five dollars (\$1,075).

4. In all cases, a suspension of the offender's driver's or commercial driver's license or permit or nonresident operating privilege for a definite period of one to three years. The court may grant limited driving privileges relative to the suspension under Ohio R.C. 4510.021 and 4510.13. The court may grant unlimited driving privileges with an ignition interlock device relative to the suspension and may reduce the period of suspension as authorized under Ohio R.C. 4510.022.

B. Except as otherwise provided in subsection (h)(1)E. of this section, an offender who, within ten years of the offense, previously has been convicted of or pleaded guilty to one violation of subsection (a) or (b) of this section or one other equivalent offense is guilty of a misdemeanor of the first degree. The court shall sentence the offender to all of the following:

1. If the sentence is being imposed for a violation of subsection (a)(1)A., B., C., D., E., or J. of this section, a mandatory jail term of ten consecutive days. The court shall impose the ten-day mandatory jail term under this subsection unless, subject to subsection (h)(3) of this section, it instead imposes a sentence under that subsection consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic

monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the ten-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.

In addition to the jail term or the term of house arrest with electronic monitoring or continuous alcohol monitoring or both types of monitoring and jail term, the court shall require the offender to be assessed by a community addiction services provider that is authorized by Ohio R.C. 5119.21, subject to subsection (k) of this section, and shall order the offender to follow the treatment recommendations of the services provider. The purpose of the assessment is to determine the degree of the offender's alcohol usage and to determine whether or not treatment is warranted. Upon the request of the court, the services provider shall submit the results of the assessment to the court, including all treatment recommendations and clinical diagnoses related to alcohol use.

2. If the sentence is being imposed for a violation of subsection (a)(1)F., G., H. or I. or (a)(2) of this section, except as otherwise provided in this subsection, a mandatory jail term of twenty consecutive days. Upon the request of the court, the services provider shall submit the results of the assessment to the court, including all treatment recommendations and clinical diagnoses related to alcohol use.

3. In all cases, notwithstanding the fines set forth in Section 303.99, a fine of not less than five hundred twenty-five dollars (\$525.00) and not more than one thousand six hundred twenty-five dollars (\$1,625).

4. Notwithstanding the jail terms set forth in Section 303.99, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.

2. If the sentence is being imposed for a violation of subsection (a)(1)F., G., H. or I. or (a)(2) of this section, a mandatory jail term of sixty consecutive days. The court shall impose the sixty-day mandatory jail term under this subsection unless, subject to subsection (h)(3) of this section, it instead imposes a sentence under that subsection consisting of both a jail term and a term of electronically monitored house arrest with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may grant limited driving privileges relative to the suspension under Ohio R.C. 4510.021 and 4510.13. (ORC 4511.19)

5. In all cases, if the vehicle is registered in the offender's name, criminal forfeiture of the vehicle involved in the offense in accordance with Ohio R.C. 4503.234. Subsection (h)(5) of this section applies regarding any vehicle that is subject to an order of criminal forfeiture under this subsection. (ORC 4511.193)

6. In all cases, the court shall order the offender to participate with a community addiction services provider authorized by Ohio R.C. 5119.21, subject to subsection (k) of this section, and shall order the offender to follow the treatment recommendations of the services provider. The operator of the services provider shall determine and assess the degree of the offender's alcohol dependency and shall make recommendations for treatment. Upon the request of the court, the services provider shall submit the results of the assessment to the court, including all treatment recommendations and clinical diagnoses related to alcohol use.

(2) An offender who is convicted of or pleads guilty to a violation of subsection (a) of this section and who subsequently seeks reinstatement of the driver's or occupational driver's license or permit or nonresident operating privilege suspended under this section as a result of the conviction or guilty plea shall pay a reinstatement fee as provided in division (F)(2) of Ohio R.C.

4511.191.

(3) If an offender is sentenced to a jail term under subsection (h)(1)B.1. or 2. or (h)(1)C.1. or 2. of this section and if, within sixty days of sentencing of the offender, the court issues a written finding on the record that, due to the unavailability of space at the jail where the offender is required to serve the term, the offender will not be able to begin serving that term within the sixty-day period following the date of sentencing, the court may impose an alternative sentence under this subsection that includes a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring.

As an alternative to a mandatory jail term of ten consecutive days required by subsection (h)(1)B.1. of this section, the court, under this subsection, may sentence the offender to five consecutive days in jail and not less than eighteen consecutive days of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The cumulative total of the five consecutive days in jail and the period of house arrest with electronic monitoring, continuous alcohol monitoring, or both types of monitoring shall not exceed six months. The five consecutive days in jail do not have to be served prior to or consecutively to the period of house arrest.

As an alternative to the mandatory jail term of twenty consecutive days required by subsection (h)(1)B.2. of this section, the court, under this subsection, may sentence the offender to ten consecutive days in jail and not less than thirty-six consecutive days of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The cumulative total of the ten consecutive days in jail and the period of house arrest with electronic monitoring, continuous alcohol monitoring or both types of monitoring shall not exceed six months. The ten consecutive days in jail do not have to be served prior to or consecutively to the period of house arrest.

As an alternative to a mandatory jail term of thirty consecutive days required by subsection (h)(1)C.1. of this section, the court, under this subsection, may sentence the offender to fifteen consecutive days in jail and not less than fifty-five consecutive days of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The cumulative total of the fifteen consecutive days in jail and the period of house arrest with electronic monitoring, continuous alcohol monitoring or both types of monitoring shall not exceed one year. The fifteen consecutive days in jail do not have to be served prior to or consecutively to the period of house arrest.

As an alternative to the mandatory jail term of sixty consecutive days required by subsection (h)(1)C.2. of this section, the court, under this subsection, may sentence the offender to thirty consecutive days in jail and not less than one hundred ten consecutive days of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The cumulative total of the thirty consecutive days in jail and the period of house arrest with electronic monitoring, continuous alcohol monitoring, or both types of monitoring shall not exceed one year. The thirty consecutive days in jail do not have to be served prior to or consecutively to the period of house arrest.

(4) If an offender's driver's or occupational driver's license or permit or nonresident operating privilege is suspended under subsection (h) of this section and if Ohio R.C. 4510.13 permits the court to grant limited driving privileges, the court may grant the limited driving privileges in accordance with that section. If division (A)(7) of that section requires that the court impose as a condition of the privileges that the offender must display on the vehicle that is driven subject to the privileges restricted license plates that are issued under Ohio R.C. 4503.231, except as provided in

division (B) of that section, the court shall impose that condition as one of the conditions of the limited driving privileges granted to the offender, except as provided in division (B) of Ohio R.C. 4503.231.

(5) If title to a motor vehicle that is subject to an order of criminal forfeiture under this section is assigned or transferred and division (B)(2) or (3) of Ohio R.C. 4503.234 applies, in addition to or independent of any other penalty established by law, the court may fine the offender the value of the vehicle as determined by publications of the national auto dealers association. The proceeds of any fine so imposed shall be distributed in accordance with division (C)(2) of that section.

(6) In all cases in which an offender is sentenced under subsection (h) of this section, the offender shall provide the court with proof of financial responsibility as defined in Ohio R.C. 4509.01. If the offender fails to provide that proof of financial responsibility, the court, in addition to any other penalties provided by law, may order restitution pursuant to Ohio R.C. 2929.18 or 2929.28 in an amount not exceeding five thousand dollars (\$5,000) for any economic loss arising from an accident or collision that was the direct and proximate result of the offender's operation of the vehicle before, during or after committing the offense for which the offender is sentenced under subsection (h) of this section.

(7) A court may order an offender to reimburse a law enforcement agency for any costs incurred by the agency with respect to a chemical test or tests administered to the offender if all of the following apply:

 2. A drug of abuse or a metabolite of a drug of abuse in the offender's oral fluid.

(8) A court may warn any person who is convicted of or who pleads guilty to a violation of subsection (a) of this section or an equivalent offense that a subsequent violation of this section or an equivalent offense that results in the death of another or the unlawful termination of another's pregnancy may result in the person being guilty of aggravated vehicular homicide under Ohio R.C. 2903.06. The court may warn the person of the applicable penalties for that violation under Ohio R.C. 2903.06 and 2929.142.

(9) As used in subsection (h) of this section, "electronic monitoring", "mandatory prison term" and "mandatory term of local incarceration" have the same meanings as in Ohio R.C. 2929.01.

(i) Vehicle Operation After Underage Alcohol Consumption Penalty. Whoever violates subsection (b) of this section is guilty of operating a vehicle after underage alcohol consumption and shall be punished as follows:

(1) Except as otherwise provided in subsection (i)(2) of this section, the offender is guilty of a misdemeanor of the fourth degree. In addition to any other sanction imposed for the offense, the court shall impose a class six suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(6) of Ohio R.C. 4510.02.

The court may grant limited driving privileges relative to the suspension under Ohio R.C. 4510.021 and 4510.13. The court may grant unlimited driving privileges with an ignition interlock device relative to the suspension and may reduce the period of suspension as authorized under Ohio R.C.

4510.022. If the court grants unlimited driving privileges under Ohio R.C. 4510.022, the court shall suspend any jail term imposed under subsection (i)(1) of this section as required under that section.

(2) If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one or more violations of subsection (a) of this section or other equivalent offenses, the offender is guilty of a misdemeanor of the third degree. In addition to any other sanction imposed for the offense, the court shall impose a class four suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(4) of Ohio R.C. 4510.02. The court may grant limited driving privileges relative to the suspension under Ohio R.C. 4510.021 and 4510.13.

(3) The offender shall provide the court with proof of financial responsibility as defined in Ohio R.C. 4509.01. If the offender fails to provide that proof of financial responsibility, then, in addition to any other penalties provided by law, the court may order restitution pursuant to Ohio R.C. 2929.28, in an amount not exceeding five thousand dollars (\$5,000) for any economic loss arising from an accident or collision that was the direct and proximate result of the offender's operation of the vehicle before, during or after committing the violation of subsection (b) of this section.

(ORC 4511.194)

(k) Compliance With Ohio R.C. Chapter 5119 Standards.

(2) An offender who stays in a driver's intervention program or in an alcohol treatment program under an order issued under this section shall pay the cost of the stay in the program. However, if the court determines that an offender who stays in an alcohol treatment program under an order issued under this section is unable to pay the cost of the stay in the program, the court may order that the cost be paid from the court's indigent drivers' alcohol treatment fund.

(l) Appeal Does Not Stay Operation of License Suspension. If a person whose driver's or commercial driver's license or permit or nonresident operating privilege is suspended under this section files an appeal regarding any aspect of the person's trial or sentence, the appeal itself does not stay the operation of the suspension.

(m) Subsection (a)(1)J. of this section does not apply to a person who operates a vehicle while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that subsection, if both of the following apply:

(1) The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.

(2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional's directions.

(n) The prohibited concentrations of a controlled substance or a metabolite of a controlled

substance listed in subsection (a)(1)J. of this section also apply in a prosecution of a violation of Ohio R.C. 2923.16(D) in the same manner as if the offender is being prosecuted for a prohibited concentration of alcohol.

(o) Conflict of Terms. All terms defined in Ohio R.C. 4510.01 apply to this section. If the meaning of a term defined in Ohio R.C. 4510.01 conflicts with the meaning of the same term as defined in Ohio R.C. 4501.01 or this Traffic Code, the term as defined in Ohio R.C. 4510.01 applies to this section. (b) It is prima-facie lawful, in the absence of a lower limit declared or established pursuant to Ohio R.C. 4511.21 by the Ohio Director of Transportation or Council, for the operator of a motor vehicle to operate the same at a speed not exceeding the following:

(1) A. Twenty miles per hour in school zones during school recess and while children are going to or leaving school during the opening or closing hours, and when twenty miles per hour

school speed limit signs are erected; except, that on controlled-access highways and expressways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by subsection (b)(4) hereof and on freeways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by subsection (b)(7) hereof. The end of every school zone may be marked by a sign indicating the end of the zone. Nothing in this section or in the manual and specifications for a uniform system of traffic control devices shall be construed to require school zones to be indicated by signs equipped with flashing or other lights, or giving other special notice of the hours in which the school zone speed limit is in effect.

B. As used in this section, "school" means all of the following:

Upon receipt of such a written request, the Director of Transportation or the County Engineer shall create a school zone at that location by erecting the appropriate signs.

C. As used in this section, "school zone" means that portion of a street or highway passing a school fronting upon the street or highway that is encompassed by projecting the school property lines to the fronting street or highway. - Nothing in this section shall be construed to invalidate the Director's initial action on August 9, 1976, establishing all school zones at the traditional school zone boundaries defined by projecting school property lines, except when those boundaries are extended as provided in subsections (b)(1)A. and C. hereof.

D. As used in this subsection, "crosswalk" has the meaning given that term in Section 301.21. The Director may, upon request by resolution of Council, and upon submission by the Municipality of such engineering, traffic and other information as the Director considers necessary, designate a school zone on any portion of a State route lying within the Municipality that includes a

crosswalk customarily used by children going to or leaving a school during recess and opening and closing hours, whenever the distance, as measured in a straight line, from the school property line nearest the crosswalk to the nearest point of the crosswalk is no more than 1,320 feet. Such a school zone shall include the distance encompassed by the crosswalk and extending 300 feet on each approach direction of the State route;

(c) It is prima-facie unlawful for any person to exceed any of the speed limitations in subsection (b)(1)A. to (b)(6) hereof, or any declared or established pursuant to this section by the Director or local authorities and it is unlawful for any person to exceed any of the speed limitations in subsection (d) hereof. No person shall be convicted of more than one violation of this section for the same conduct, although violations of more than one provision of this section may be charged in the alternative in a single affidavit.

(d) No person shall operate a motor vehicle upon a street or highway as follows:

(1) At a speed exceeding fifty-five miles per hour, except upon a highway, expressway or freeway as provided in subsection (b)(8), (9), (10) and (12) hereof;

(2) At a speed exceeding sixty miles per hour upon a highway as provided in subsection (b)(8) hereof;

(3) At a speed exceeding sixty-five miles per hour upon an expressway as provided in subsection (b)(9) hereof, or upon a freeway as provided in subsection (b)(12) of this section, except upon a freeway as provided in subsection (b)(10) hereof;

(e) In every charge of violation of this section the affidavit and warrant shall specify the time, place and speed at which the defendant is alleged to have driven, and in charges made in reliance

upon subsection (c) hereof also the speed which subsections (b)(1)A. to (b)(6) hereof, or a limit declared or established pursuant to this section declares is prima-facie lawful at the time and place of such alleged violation, except that in affidavits where a person is alleged to have driven at a greater speed than will permit the person to bring the vehicle to a stop within the assured clear distance ahead the affidavit and warrant need not specify the speed at which the defendant is alleged to have driven.

(f) When a speed in excess of both a prima-facie limitation and a limitation in subsection (d) hereof is alleged, the defendant shall be charged in a single affidavit, alleging a single act, with a violation indicated of both subsections (b)(1)A. to (b)(6) hereof, or of a limit declared or established pursuant to this section by the Director or local authorities, and of the limitation in subsection (d) hereof. If the court finds a violation of subsection (b)(1)A. to (b)(6) hereof, or a limit declared or established pursuant to this section has occurred, it shall enter a judgment of conviction under such subsection and dismiss the charge under subsection (d) hereof. If it finds no violation of subsections (b)(1)A. to (b)(6) hereof or a limit declared or established pursuant to this section, it shall then consider whether the evidence supports a conviction under subsection (d) hereof.

(g) Points shall be assessed for violation of a limitation under subsection (d) hereof in accordance with Ohio R.C. 4510.036.

(h) Whenever, in accordance with Ohio R.C. 4511.21 or this section, the speed limitations as established herein have been altered, either higher or lower, and the appropriate signs giving notice have been erected as required, operators of motor vehicles shall be governed by the speed limitations set forth on such signs. It is prima-facie unlawful for any person to exceed the speed limits posted upon such signs.
