333.06 SPEED EXCEPTIONS FOR EMERGENCY OR SAFETY VEHICLES.

CHAPTER 333 OVI; Willful Misconduct; Speed

333.031 APPROACHING A STATIONARY PUBLIC SAFETY, EMERGENCY OR ROAD SERVICE VEHICLE.

- (a) The driver of a motor vehicle, upon approaching a stationary public safety vehicle,

emergency vehicle, road service vehicle, waste collection vehicle, vehicle used by the Public Utilities Commission to conduct motor vehicle inspections in accordance with Ohio R.C. 4923.04 and 4923.06 or a highway maintenance vehicle that is displaying the appropriate visual signals by means of flashing, oscillating or rotating lights, as prescribed in Section 337.16, shall do either of the following:

(1) If the driver of the motor vehicle is traveling on a street or highway that consists of at least two lanes that carry traffic in the same direction of travel as that of the driver's motor vehicle, the driver shall proceed with due caution and, if possible with due regard to the road, weather, and traffic conditions, shall change lanes into a lane that is not adjacent to that of the stationary public safety vehicle, emergency vehicle, road service vehicle, waste collection vehicle, vehicle used by the Public Utilities Commission to conduct motor vehicle inspections in accordance with Ohio R.C. 4923.04 and 4923.06 or a highway maintenance vehicle.

(2) If the driver is not traveling on a street or highway of a type described in subsection (a)(1) of this section, or if the driver is traveling on a highway of that type but it is not possible to change lanes or if to do so would be unsafe, the driver shall proceed with due caution, reduce the speed of the motor vehicle, and maintain a safe speed for the road, weather and traffic conditions.

(b) This section does not relieve the driver of a public safety vehicle, emergency vehicle, road service vehicle, waste collection vehicle, vehicle used by the Public Utilities Commission to conduct motor vehicle inspections in accordance with Ohio R.C. 4923.04 and 4923.06, or a highway maintenance vehicle from the duty to drive with due regard for the safety of all persons and property upon the highway.

(c) No person shall fail to drive a motor vehicle in compliance with subsection (a)(1) or (2) of this section when so required by subsection (a) of this section.

(d) (1) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

(2) Notwithstanding Section 303.99(b), upon a finding that a person operated a motor vehicle in violation of subsection (c) of this section, the court, in addition to all other penalties provided by law, shall impose a fine of two times the usual amount imposed for the violation.

(3) If the offender commits the offense while distracted and the distracting activity is a contributing factor to the commission of the offense, the offender is subject to the additional fine established under Section 303.991 of the Traffic Code.

(e) The offense established under this section is a strict liability offense and Ohio R.C. 2901.20 does not apply. The designation of this offense as a strict liability offense shall not be construed to imply that any other offense, for which there is no specified degree of culpability, is not a strict liability offense. (ORC 4511.213)

333.04 STOPPING VEHICLE; SLOW SPEED; POSTED MINIMUM SPEEDS.

(a) No person shall stop or operate a vehicle at such an unreasonably slow speed as to impede or block the normal and reasonable movement of traffic, except when stopping or reduced speed is necessary for safe operation or to comply with law.

(b) Whenever, in accordance with Ohio R.C. 4511.22(B), the minimum speed limit of a controlled-access highway, expressway or freeway has been declared and the appropriate signs giving notice have been erected as required, operators of motor vehicles shall be governed by the

speed limitations set forth on such signs. No person shall operate a motor vehicle below the speed limits posted upon such signs except when necessary for safe operation or in compliance with law.

(c) In a case involving a violation of this section, the trier of fact, in determining whether the vehicle was being operated at an unreasonably slow speed, shall consider the capabilities of the vehicle and its operator.

(d) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

If the offender commits the offense while distracted and the distracting activity is a contributing factor to the commission of the offense, the offender is subject to the additional fine established under Section 303.991 of the Traffic Code. (ORC 4511.22)

333.05 SPEED LIMITATIONS OVER BRIDGES.

(a) No person shall operate a vehicle over any bridge or other elevated structure constituting a part of a street at a speed which is greater than the maximum speed that can be maintained with safety to such bridge or structure, when such structure is posted with authorized signs stating such maximum speed. Such signs shall be erected and maintained at a distance of at least 100 feet before each end of such structure.

(b) Upon the trial of any person charged with a violation of this section, proof of the determination of the maximum speed and the existence of such signs shall constitute prima-facie evidence of the maximum speed which can be maintained with safety to such bridge or structure.

(c) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

If the offender commits the offense while distracted and the distracting activity is a contributing factor to the commission of the offense, the offender is subject to the additional fine established under Section 303.991 of the Traffic Code. (ORC 4511.23)

333.06 SPEED EXCEPTIONS FOR EMERGENCY OR SAFETY VEHICLES.

The prima-facie speed limitations set forth in Section 333.03 do not apply to emergency vehicles or public safety vehicles when they are responding to emergency calls and are equipped with and displaying at least one flashing, rotating or oscillating light visible under normal atmospheric conditions from a distance of 500 feet to the front of the vehicle and when the drivers thereof sound audible signals by bell, siren or exhaust whistle. This section does not relieve the driver of an emergency vehicle or public safety vehicle from the duty to drive with due regard for the safety of all persons using the street or highway. (ORC 4511.24)

333.07 STREET RACING, STUNT DRIVING AND STREET TAKEOVERS PROHIBITED.

(a) As used in this section:

(1) BURNOUT. A maneuver performed while operating a vehicle whereby the vehicle is kept in a stationary position, but the wheels of the vehicle are spun, which may cause the tires of the vehicle to become heated and emit smoke from the friction.

(2) DOUGHNUT. A maneuver performed while operating a vehicle whereby the front or rear of

the vehicle is rotated around the opposite set of wheels in a continuous motion, which may cause a circular skid-mark pattern of rubber on the driving surface, or the tires of the vehicle to become heated and emit smoke from the friction, or both.

(3) **DRIFTING.** A maneuver performed while operating a vehicle whereby the vehicle is driven in a manner that causes a controlled, sideways skid during a turn, with the front wheels pointing in a direction that is the opposite of the direction of the turn.

(4) **STREET RACING.** The operation of two or more vehicles from a point side by side at accelerating speeds in a competitive attempt to out-distance each other or the operation of one or more vehicles over a common selected course, from the same point to the same point, wherein timing is made of the participating vehicles involving competitive accelerations or speeds. The operation of two or more vehicles side by side either at speeds in excess of prima-facie lawful speeds established by Ohio R.C. 4511.21(B)(1)(a) to (B)(9) or rapidly accelerating from a common starting point to a speed in excess of such prima-facie lawful speeds shall be prima-facie evidence of street racing.

(5) **STREET TAKEOVER.** Blocking or impeding the regular flow of vehicle or pedestrian traffic on a public road, street, or highway or on private property that is open to the general public for the purpose of street racing or stunt driving.

(6) **STUNT DRIVING.** Performing or engaging in burnouts, doughnuts, drifting, or wheelies, or allowing a passenger to ride either partially or fully outside of the vehicle while operating that vehicle.

(7) **WHEELIE.** A maneuver performed while operating a vehicle whereby the front wheel or wheels of the vehicle are raised off of the ground or whereby two wheels that are on the same side of the vehicle are raised off of the ground.

(b) No person shall knowingly participate in street racing, stunt driving, or street takeover upon any public road, street, or highway, or on private property that is open to the general public.

(c) Whoever violates this section is guilty of street racing, stunt driving, or street takeover, a misdemeanor of the first degree. In addition to any other sanctions, the court shall suspend the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for not less than thirty days or more than three years. No judge shall suspend the first thirty days of any suspension of an offender's license, permit, or privilege imposed under this division.

(d) Persons rendering assistance in any manner to street racing, stunt driving, or street takeover shall be equally charged as the participants.

(e) This section does not apply to the competitive operation of vehicles on public or private property when the political subdivision with jurisdiction of the location or owner of the property knowingly permits such operation thereon. (ORC 4511.251)

333.08 OPERATION WITHOUT REASONABLE CONTROL.

(a) No person shall operate a motor vehicle, agricultural tractor, or agricultural tractor that is towing, pulling, or otherwise drawing a unit of farm machinery on any street, highway, or property open to the public for vehicular traffic without being in reasonable control of the vehicle, agricultural tractor or unit of farm machinery.

(b) Whoever violates this section is guilty of operating a motor vehicle or agricultural tractor without being in control of it, a minor misdemeanor.

(ORC 4511.202)

333.09 RECKLESS OPERATION ON STREETS, PUBLIC OR PRIVATE PROPERTY.

(a) No person shall operate a vehicle on any street or highway without due regard for the safety

of persons or property.

(b) No person shall operate a vehicle on any public or private property other than streets or highways, without due regard for the safety of persons or property.

This subsection does not apply to the competitive operation of vehicles on public or private property when the owner of such property knowingly permits such operation thereon.

(c) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

333.10 OPERATION IN VIOLATION OF IMMOBILIZATION ORDER.

(a) No person shall operate a motor vehicle or permit the operation of a motor vehicle upon any public or private property used by the public for vehicular travel or parking knowing or having reasonable cause to believe that the motor vehicle has been ordered immobilized pursuant to an immobilization order issued under Ohio R.C. 4503.233.

(b) A motor vehicle that is operated by a person during a violation of subsection (a) hereof shall be criminally forfeited in accordance with the procedures contained in Ohio R.C. 4503.234.

(c) Whoever violates this section is guilty of a misdemeanor of the second degree.
(ORC 4503.236)

333.11 ELECTRONIC WIRELESS COMMUNICATIONS DEVICE USE PROHIBITED WHILE DRIVING.

(a) No person shall operate a motor vehicle on any street, highway, or property open to the public for vehicular traffic while using, holding, or physically supporting with any part of the person's body an electronic wireless communications device.

(b) Subsection (a) of this section does not apply to any of the following:

(1) A person using an electronic wireless communications device to make contact, for emergency purposes, with a law enforcement agency, hospital or health care provider, fire department, or other similar emergency agency or entity.

(2) A person driving a public safety vehicle while using an electronic wireless communications device in the course of the person's duties.

(4) A person using and holding an electronic wireless communications device directly near the person's ear for the purpose of making, receiving, or conducting a telephone call, provided that the person does not manually enter letters, numbers, or symbols into the device;

(5) A person receiving wireless messages on an electronic wireless communications device regarding the operation or navigation of a motor vehicle; safety-related information, including emergency, traffic, or weather alerts; or data used primarily by the motor vehicle, provided that the person does not hold or support the device with any part of the person's body;

(6) A person using the speaker phone function of the electronic wireless communications device, provided that the person does not hold or support the device with any part of the person's body;

(7) A person using an electronic wireless communications device for navigation purposes, provided that the person does not do either of the following during the use:

- A. Manually enter letters, numbers, or symbols into the device;
- B. Hold or support the device with any part of the person's body;

(8) A person using a feature or function of the electronic wireless communications device with a single touch or single swipe, provided that the person does not do either of the following during the use:

- A. Manually enter letters, numbers, or symbols into the device;
- B. Hold or support the device with any part of the person's body;

(9) A person operating a commercial truck while using a mobile data terminal that transmits and receives data;

(11) A person using an electronic wireless communications device in conjunction with a voice-operated or hands-free feature or function of the vehicle or of the device without the use of either hand except to activate, deactivate, or initiate the feature or function with a single touch or swipe, provided the person does not hold or support the device with any part of the person's body;

(12) A person using technology that physically or electronically integrates the device into the motor vehicle, provided that the person does not do either of the following during the use:

- A. Manually enter letters, numbers, or symbols into the device;
- B. Hold or support the device with any part of the person's body;

(13) A person storing an electronic wireless communications device in a holster, harness, or article of clothing on the person's body.

(c) If a law enforcement officer issues an offender a ticket, citation or summons for a violation of subsection (a) of this section, the officer shall do both of the following:

- (1) Report the issuance of the ticket, citation, or summons to the officer's law enforcement agency;
- (2) Ensure that such report indicates the offender's race.

(d) Whoever violates subsection (a) of this section is guilty of operating a motor vehicle while using an electronic wireless communication device, an unclassified misdemeanor, and shall be punished as provided in subsections (d)(1) to (5) of this section.

(1) The offender shall be fined, and is subject to a suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege, as follows:

A. Except as provided in subsections (d)(1)B., (d)(1)C., (d)(1)D. and (d)(2) of this section, the court shall impose upon the offender a fine of not more than one hundred fifty dollars (\$150.00).

B. If, within two years of the violation, the offender has been convicted of or pleaded guilty to one prior violation of this section, Ohio R.C. 4511.204, or a substantially equivalent municipal ordinance, the court shall impose upon the offender a fine of not more than two hundred fifty dollars (\$250.00).

C. If, within two years of the violation, the offender has been convicted of or pleaded guilty to two or more prior violations of this section, Ohio R.C. 4511.204, or a substantially equivalent or municipal ordinance, the court shall impose upon the offender a fine of not more than five hundred dollars (\$500.00). The court also may impose a suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for ninety days.

D. Notwithstanding subsections (d)(1)A. to (d)(1)C. of this section, if the offender was

operating the motor vehicle at the time of the violation in a construction zone where a sign was posted in accordance with Ohio R.C. 4511.98, the court, in addition to all other penalties provided by law, shall impose upon the offender a fine of two times the amount imposed for the violation under subsections (d)(1)A., (d)(1)B., or (d)(1)C. of this section, as applicable.

(2) If the offender is in the category of offenders to whom subsection (d)(1)A of this section applies, in lieu of payment of the fine of one hundred fifty dollars (\$150.00) under subsection (d)(1)A. of this section and the assessment of points under subsection (d)(4) of this section, the offender instead may elect to attend the distracted driving safety course, as described in Section 303.991. If the offender attends and successfully completes the course, the offender shall be issued written evidence that the offender successfully completed the course. The offender shall not be required to pay the fine and shall not have the points assessed against that offender's driver's license if the offender submits the written evidence to the court. This subsection does not apply with respect to any offender in the category of offenders to whom subsection (d)(1)B., C., or D. of this section applies.

(3) The court may impose any other penalty authorized under Ohio R.C. 2929.21 to 2929.28. However, the court shall not impose a fine or a suspension not otherwise specified in subsection (d)(1) of this section. The court also shall not impose a jail term or community residential sanction.

(4) Except as provided in subsection (d)(2) of this section, points shall be assessed for a violation of subsection (a) of this section in accordance with Ohio R.C. 4510.036.

(5) The offense established under this section is a strict liability offense and Ohio R.C. 2901.20 does not apply. The designation of this offense as a strict liability offense shall not be construed to imply that any other offense, for which there is no specified degree of culpability, is not a strict liability offense.

(e) A prosecution for an offense in violation of this section does not preclude a prosecution for an offense in violation of Ohio R.C. 4511.204 based on the same conduct. However, the two offenses are allied offenses of similar import under Ohio R.C. 2941.25.

(f) (1) A law enforcement officer does not have probable cause and shall not stop the operator of a motor vehicle for the purposes of enforcing this section unless the officer visually observes the operator using, holding, or physically supporting with any part of the person's body the electronic wireless communications device.

(2) A law enforcement officer who stops the operator of a motor vehicle for a violation of subsection (a) of this section shall inform the operator that the operator may decline a search of the operator's electronic wireless communications device. The officer shall not do any of the following:

- A. Access the device without a warrant unless the operator voluntarily and unequivocally gives consent for the officer to access the device;
- B. Confiscate the device while awaiting the issuance of a warrant to access the device;
- C. Obtain consent from the operator to access the device through coercion or any other improper means. Any consent by the operator to access the device shall be voluntary and unequivocal before the officer may access the device without a warrant.

(g) As used in this section:

(1) "Electronic wireless communications device", includes any of the following:

- A. A wireless telephone;
- B. A text-messaging device;
- C. A personal digital assistant;
- D. A computer, including a laptop computer and a computer tablet;

E. Any device capable of displaying a video, movie, broadcast television image, or visual image;

F. Any other substantially similar wireless device that is designed or used to communicate text, initiate or receive communication, or exchange information or data.

An “electronic wireless communications device” does not include a two-way radio transmitter or receiver used by a person who is licensed by the federal communications commission to participate in the amateur radio service.

(2) “Utility” means an entity specified in Ohio R.C. 4905.03(A), (C), (D), (E) or (G).

(3) “Utility service vehicle” means a vehicle owned or operated by a utility.

(4) “Voice-operated or hands-free feature or function” means a feature or function that allows a person to use an electronic wireless communications device without the use of either hand, except to activate, deactivate, or initiate the feature or function with a single touch or single swipe.
