of the vehicle.

(2) Subsection (b)(1) of this section does not apply to a person who is driving a passenger car with an electronic device, including an antenna, electronic tolling or other transponder, camera, directional navigation device, or other similar electronic device located in the front windshield if either of the following apply to the device:

337.26 CHILD RESTRAINT SYSTEM USAGE.

(a) When any child who is in either or both of the following categories is being transported in a motor vehicle, other than a taxicab or public safety vehicle as defined in Ohio R.C. 4511.01, that is required by the United States Department of Transportation to be equipped with seat belts at the time of manufacture or assembly, the operator of the motor vehicle shall have the child properly secured in accordance with the manufacturer's instructions in a child restraint system that meets federal motor safety standards:

- (1) A child who is less than four years of age;
- (2) A child who weighs less than forty pounds.

(b) When any child who is in either or both of the following categories is being transported in a motor vehicle, other than a taxicab, that is owned, leased or otherwise under the control of a nursery school, or child care center, the operator of the motor vehicle shall have the child properly secured in accordance with the manufacturer's instructions in a child restraint system that meets federal motor vehicle safety standards:

- (1) A child who is less than four years of age;
- (2) A child who weighs less than forty pounds.

(c) When any child who is less than eight years of age and less than four feet nine inches in height, who is not required by subsection (a) or (b) of this section to be secured in a child restraint system, is being transported in a motor vehicle, other than a taxicab or public safety vehicle as defined in Ohio R.C. 4511.01 or a vehicle that is regulated under Ohio R.C. 5104.011, that is required by the United States Department of Transportation to be equipped with seat belts at the time of manufacture or assembly, the operator of the motor vehicle shall have the child properly secured in accordance with the manufacturer's instructions on a booster seat that meets federal motor vehicle safety standards.

(d) When any child who is at least eight years of age but not older than fifteen years of age and who is not otherwise required by subsection (a), (b) or (c) hereof to be secured in a child restraint system or booster seat, is being transported in a motor vehicle, other than a taxicab or public safety vehicle as defined in Ohio R.C. 4511.01, that is required by the United States Department of Transportation to be equipped with seat belts at the time of manufacture or assembly, the operator of the motor vehicle shall have the child properly restrained either in accordance with the manufacturer's instructions in a child restraint system that meets federal motor vehicle safety

standards or in an occupant restraining device as defined in Ohio R.C. 4513.263.

(e) Notwithstanding any provision of law to the contrary, no law enforcement officer shall cause an operator of a motor vehicle being operated on any street or highway to stop the motor vehicle for the sole purpose of determining whether a violation of subsection (c) or (d) of this section has been or is being committed or for the sole purpose of issuing a ticket, citation, or summons for a violation of subsection (c) or (d) of this section or causing the arrest of or commencing a prosecution of a person for a violation of subsection (c) or (d) of this section, and absent another violation of law, a law enforcement officer's view of the interior or visual inspection of a motor vehicle being operated on any street or highway may not be used for the purpose of determining whether a violation of subsection (c) or (d) of this section has been or is being committed.

(f) The Ohio Director of Public Safety shall adopt such rules as are necessary to carry out this section.

(g) The failure of an operator of a motor vehicle to secure a child in a child restraint system, a booster seat or an occupant restraining device as required by this section is not negligence imputable to the child, is not admissible as evidence in any civil action involving the rights of the child against any other person allegedly liable for injuries to the child, is not to be used as a basis for a criminal prosecution of the operator of the motor vehicle other than a prosecution for a violation of this section, and is not admissible as evidence in any criminal action involving the operator of the motor vehicle other than a prosecution for a violation of this section.

(h) This section does not apply when an emergency exists that threatens the life of any person operating or occupying a motor vehicle that is being used to transport a child who otherwise would be required to be restrained under this section. This section does not apply to a person operating a motor vehicle who has an affidavit signed by a physician licensed to practice in this State under Ohio R.C. Chapter 4731 a clinical nurse specialist or certified nurse practitioner licensed to practice in this State under Ohio R.C. Chapter 4723, or a chiropractor licensed to practice in this State under Ohio R.C. Chapter 4734 that states that the child who otherwise would be required to be restrained under this section has a physical impairment that makes use of a child restraint system, booster seat or an occupant restraining device impossible or impractical, provided that the person operating the vehicle has safely and appropriately restrained the child in accordance with any recommendations of the physician, nurse or chiropractor as noted on the affidavit.

(i) Nothing in this section shall be construed to require any person to carry with the person the birth certificate of a child to prove the age of the child, but the production of a valid birth certificate for a child showing that the child was not of an age to which this section applies is a defense against any ticket, citation or summons issued for violating this section.

(j) Whoever violates subsection (a), (b), (c) or (d) of this section shall be punished as follows, provided that the failure of an operator of a motor vehicle to secure more than one child in a child restraint system, booster seat, or occupant restraining device as required by this section that occurred at the same time, on the same day, and at the same location is deemed to be a single violation of this section:

(1) Except as otherwise provided in subsection (j)(2) of this section, the offender is guilty of a minor misdemeanor and shall be fined not less than twenty-five dollars (\$25.00) nor more than seventy-five dollars (\$75.00).

(2) If the offender previously has been convicted of or pleaded guilty to a violation of subsection (a), (b), (c) or (d) of this section or of a state law or municipal ordinance that is substantially similar to any of those subsections, the offender is guilty of a misdemeanor of the fourth degree.

(ORC 4511.81)

337.27 VEHICLES TRANSPORTING PRESCHOOL CHILDREN.

The lights and sign shall meet standards and specifications adopted by the Ohio Director of Highway Safety pursuant to Ohio R.C. 4513.182.

(b) No person shall operate a motor vehicle displaying the lights and sign required by this section for any purpose other than the transportation of preschool children as provided in this section. (Ord. 69-76. Passed 8-24-76.)

(c) Whoever violates this section is guilty of a minor misdemeanor on a first offense; on a second offense within one year after the first offense, the person is guilty of a misdemeanor of the fourth degree; on each subsequent offense within one year after the first offense, the person is guilty of a misdemeanor of the third degree.

337.28 DRIVERS AND PASSENGERS REQUIRED TO WEAR SEAT BELTS.

(a) As used in this section:

(1) "Automobile" means any commercial tractor, passenger car, commercial car or truck that is required to be factory-equipped with an occupant restraining device for the operator or any passenger by regulations adopted by the United States Secretary of Transportation pursuant to the "National Traffic and Motor Vehicle Safety Act of 1966," 80 Stat. 719, 15 U.S.C.A. 1392.

(2) "Occupant restraining device" means a seat safety belt, shoulder belt, harness or other safety device for restraining a person who is an operator of or passenger in an automobile and that satisfies the minimum Federal vehicle safety standards established by the United States Department of Transportation.

(3) "Passenger" means any person in an automobile, other than its operator, who is occupying a seating position for which an occupant restraining device is provided.

(4) "Commercial tractor," "passenger car," and "commercial car" have the same meanings as provided in Ohio R.C. 4501.01.

(5) "Vehicle" and "motor vehicle", as used in the definitions of the terms set forth in subsection (a)(4) hereof, have the same meanings as provided in Chapter 301.

(6) "Tort action" means a civil action for damages for injury, death, or loss to person or property. "Tort action" includes a product liability claim, as defined in Ohio R.C. 2307.71 and an asbestos claim, as defined in Ohio R.C. 2307.91, but does not include a civil action for damages for breach of contract or another agreement between persons.

(b) No person shall do either of the following:

(1) Operate an automobile on any street or highway unless that person is wearing all of the available elements of a properly adjusted occupant restraining device, or operate a school bus that has an occupant restraining device installed for use in its operator's seat unless that person is wearing all of the available elements of the device, as properly adjusted;

(2) Operate an automobile on any street or highway unless each passenger in the automobile who is subject to the requirement set forth in subsection (b)(3) hereof is wearing all of the available elements of a properly adjusted occupant restraining device;

(3) Occupy, as a passenger, a seating position on the front seat of an automobile being

operated on any street or highway unless that person is wearing all of the available elements of a properly adjusted occupant restraining device;

(4) Operate a taxicab on any street or highway unless all factory-equipped occupant restraining devices in the taxicab are maintained in usable form.

(c) (1) Subsection (b)(3) hereof does not apply to a person who is required by Section 337.26 to be secured in a child restraint device or booster seat.

(2) Subsection (b)(1) hereof does not apply to a person who is an employee of the United States Postal Service or of a newspaper home delivery service, during any period in which the person is engaged in the operation of an automobile to deliver mail or newspapers to addressees.

(3) Subsections (b)(1) and (3) hereof do not apply to a person who has an affidavit signed by a physician licensed to practice in this State under Ohio R.C. Chapter 4731 or a chiropractor licensed to practice in this State under Ohio R.C. Chapter 4734 that states the following:

A. That the person has a physical impairment that makes use of an occupant restraining device impossible or impractical;

B. Whether the physical impairment is temporary, permanent or reasonably expected to be permanent;

C. If the physical impairment is temporary, how long the physical impairment is expected to make the use of an occupant restraining device impossible or impractical.

(4) Subsections (b)(1) and (3) of this section do not apply to a person who has registered with the Registrar of Motor Vehicles in accordance with subsection (c)(5) of this section.

(5) A person who has received an affidavit under subsection (c)(3) of this section stating that the person has a permanent or reasonably expected to be permanent physical impairment that makes use of an occupant restraining device impossible or impracticable may register with the Registrar attesting to that fact. Upon such registration, the Registrar shall make that information available in the law enforcement automated data system. A person included in the database under subsection (c)(5) of this section is not required to have the affidavit obtained in accordance with subsection (c)(3) of this section in their possession while operating or occupying an automobile.

(6) A physician or chiropractor who issues an affidavit for the purposes of subsection (c)(3) or (4) of this section is immune from civil liability arising from any injury or death sustained by the person who was issued the affidavit due to the failure of the person to wear an occupant restraining device unless the physician or chiropractor, in issuing the affidavit, acted in a manner that constituted willful, wanton or reckless misconduct.

(7) The Registrar shall adopt rules in accordance with Ohio R.C. Chapter 119, establishing a process for a person to be included in the database under subsection (c)(5) of this section. The information provided and included in the database under subsection (c)(5) of this section is not a public record subject to inspection or copying under Ohio R.C. 149.43.

(d) Notwithstanding any provision of law to the contrary, no law enforcement officer shall cause an operator of an automobile being operated on any street or highway to stop the automobile for the sole purpose of determining whether a violation of subsection (b) hereof has been or is being committed or for the sole purpose of issuing a ticket, citation or summons for a violation of that nature or causing the arrest of or commencing a prosecution of a person for a violation of that nature, and no law enforcement officer shall view the interior or visually inspect any automobile being operated on any street or highway for the sole purpose of determining whether a violation of that nature has been or is being committed.

(e) All fines collected for violations of subsection (b) hereof shall be forwarded to the Treasurer of State for deposit as provided in Ohio R.C. 4513.263.

(f) (1) Subject to subsection (f)(2) of this section, the failure of a person to wear all of the available elements of a properly adjusted occupant restraining device in violation of subsection (b)(1) or (3) or the failure of a person to ensure that each minor who is a passenger of an automobile being operated by that person is wearing all of the available elements of a properly adjusted occupant restraining device, in violation of subsection (b)(2) of this section, shall not be considered or used by the trier of fact in a tort action as evidence of negligence or contributory negligence. But the trier of fact may determine based on evidence admitted consistent with the Ohio rules of evidence that the failure contributed to the harm alleged in the tort action and may diminish a recovery of compensatory damages that represents noneconomic loss, as defined in Ohio R.C. 2307.011 in a tort action that could have been recovered but for the plaintiff's failure to wear all of the available elements of a properly adjusted occupant restraining device.

Evidence of that failure shall not be used as a basis for a criminal prosecution of the person other than a prosecution for a violation of this section; and shall not be admissible as evidence in a criminal action involving the person other than a prosecution for a violation of this section.

(2) If, at the time of an accident involving a passenger car equipped with occupant restraining devices, any occupant of the passenger car who sustained injury or death was not wearing an available occupant restraining device, was not wearing all of the available elements of such a device, or was not wearing such a device as properly adjusted, then, consistent with the Rules of Evidence, the fact that the occupant was not wearing the available occupant restraining device, was not wearing all of the available elements of such a device, or was not wearing such a device as properly adjusted is admissible in evidence in relation to any claim for relief in a tort action to the extent that the claim for relief satisfies all of the following:

A. It seeks to recover damages for injury or death to the occupant.

B. The defendant in question is the manufacturer, designer, distributor or seller of the passenger car.

C. The claim for relief against the defendant in question is that the injury or death sustained by the occupant was enhanced or aggravated by some design defect in the passenger car or that the passenger car was not crashworthy.

(g) (1) Whoever violates subsection (b)(1) of this section shall be fined thirty dollars (\$30.00).

(2) Whoever violates subsection (b)(3) of this section shall be fined twenty dollars (\$20.00).

(3) Except as otherwise provided in this subsection, whoever violates subsection (b)(4) of this section is guilty of a minor misdemeanor. If the offender previously has been convicted of or pleaded guilty to a violation of subsection (b)(4) of this section, whoever violates subsection (b)(4) of this section is guilty of a misdemeanor of the third degree.
