(ORC 4511.68)

351.04 PARKING NEAR CURB; HANDICAPPED LOCATIONS ON PUBLIC AND PRIVATE LOTS AND GARAGES.

(a) Every vehicle stopped or parked upon a roadway where there is an adjacent curb shall be stopped or parked with the curb side wheels of the vehicle parallel with and not more than twelve inches from the curb, unless it is impossible to approach so close to the curb; in such case the stop shall be as close to the curb as possible and only for the time necessary to discharge and receive passengers or to load or unload merchandise.

(b) (1) This subsection does not apply to streets or parts thereof where angle parking is lawfully permitted. However, no angle parking shall be permitted on a state route unless an unoccupied roadway width of not less than twenty-five feet is available for free-moving traffic.

(2) A. No angled parking space that is located on a state route within a municipal corporation is subject to elimination, irrespective of whether there is or is not at least twenty-five feet of unoccupied roadway width available for free-moving traffic at the location of that angled parking space, unless the municipal corporation approves of the elimination of the angled parking space.

B. Replacement, repainting or any other repair performed by or on behalf of the municipal corporation of the lines that indicate the angled parking space does not constitute an intent by the municipal corporation to eliminate the angled parking space.

(c) (1) A. Except as provided in subsection (c)(1)B. hereof, no vehicle shall be stopped or parked on a road or highway with the vehicle facing in a direction other than the direction of travel on that side of the road or highway.

B. The operator of a motorcycle may back the motorcycle into an angled parking space so that when the motorcycle is parked it is facing in a direction other than the direction of travel on the side of the road or highway.

(2) The operator of a motorcycle may back the motorcycle into a parking space that is located on the side of, and parallel to, a road or highway. The motorcycle may face any direction when so parked. Not more than two motorcycles at a time shall be parked in a parking space as described in subsection (c)(2) of this section irrespective of whether or not the space is metered.

(d) Notwithstanding any provision of this Code or any rule, air compressors, tractors, trucks and other equipment, while being used in the construction, reconstruction, installation, repair or removal of facilities near, on, over or under a street, may stop, stand or park where necessary in order to perform such work, provided a flagman is on duty, or warning signs or lights are displayed as may be prescribed by the Ohio Director of Transportation.

(e) Accessible parking locations and privileges for persons with disabilities that limit or impair the ability to walk shall be provided and designated by all political subdivisions and by the state and all agencies and instrumentalities thereof at all offices and facilities where parking is provided, whether owned, rented, or leased, and at all publicly owned parking garages. The locations shall be designated through the posting of an elevated sign, whether permanently affixed or movable, imprinted with the international symbol of access and shall be reasonably close to exits, entrances, elevators, and ramps. All elevated signs posted in accordance with this division and Ohio R.C. 3781.111(C) shall be mounted on a fixed or movable post, and the distance from the ground to the bottom edge of the sign shall measure not less than five feet. If a new sign or a replacement sign designating an accessible parking location is posted on or after October 14, 1999, there also shall be affixed upon the surface of that sign or affixed next to the designating sign a notice that states the fine applicable for the offense of parking a motor vehicle in the designated accessible parking

location if the motor vehicle is not legally entitled to be parked in that location.

(f) (1) A. No person shall stop, stand or park any motor vehicle at accessible parking locations provided under subsection (e) of this section, or at accessible clearly marked parking locations provided in or on privately owned parking lots, parking garages, or other parking areas and designated in accordance with that division, unless one of the following applies:

1. The motor vehicle is being operated by or for the transport of a person with a disability that limits or impairs the ability to walk and is displaying a valid removable windshield placard or accessible license plates; or

2. The motor vehicle is being operated by or for the transport of a person with a disability and is displaying a parking card or accessible license plates.

B. Any motor vehicle that is parked in an accessible marked parking location in violation of subsections (f)(1)A.1. or (f)(1)A.2. of this section may be towed or otherwise removed from the parking location by the law enforcement agency of the municipality. A motor vehicle that is so towed or removed shall not be released to its owner until the owner presents proof of ownership of the motor vehicle and pays all towing and storage fees normally imposed by the municipality for towing and storing motor vehicles. If the motor vehicle is a leased vehicle, it shall not be released to the lessee until the lessee presents proof that the person is the lessee of the motor vehicle and pays all towing and storage fees normally imposed by the municipality for towing and storing motor vehicles.

C. If a person is charged with a violation of subsections (f)(1)A.1. or (f)(1)A.2. of this section, it is an affirmative defense to the charge that the person suffered an injury not more than seventy-two hours prior to the time the person was issued the ticket or citation and that, because of the injury, the person meets at least one of the criteria contained in Ohio R.C. 4503.44(A)(1).

(2) No person shall stop, stand, or park any motor vehicle in an area that is commonly known as an access aisle, which area is marked by diagonal strips and is located immediately adjacent to an accessible parking location provided under subsection (e) of this section or at an accessible clearly marked parking location provided in or on a privately owned parking lot, parking garage, or other parking area and designated in accordance with that division.

(g) When a motor vehicle is being operated by or for the transport of a person with a disability that limits or impairs the ability to walk and is displaying a removable windshield placard or accessible license plates, or when a motor vehicle is being operated by or for the transport of a person with a disability, and is displaying a parking card or accessible license plates, the motor vehicle is permitted to park for a period of two hours in excess of the legal parking period permitted by local authorities, except where local ordinances or police rules provide otherwise or where the vehicle is parked in such a manner as to be clearly a traffic hazard.

(h) No owner of an office, facility, or parking garage where accessible parking locations are required to be designated in accordance with subsection (e) of this section shall fail to properly mark the accessible parking locations in accordance with that division or fail to maintain the markings of the accessible locations, including the erection and maintenance of the fixed or movable signs.

(i) Nothing in this section shall be construed to require a person or organization to apply for a removable windshield placard or accessible license plates if the parking card or accessible license plates, issued to the person or organization under prior law have not expired or been surrendered or revoked.

(j) As used in this section:

(1) "Accessible license plates" and "removable windshield placard" mean any license plates,

standard removable windshield placard, permanent removable windshield placard or temporary removable windshield placard issued under Ohio R.C. 4503.41 or 4503.44, and also mean any substantially equivalent license plates or removable windshield placard issued by a state, district, country, or sovereignty.

(2) "Person with a disability" means any person who has lost the use of one or both legs or one or both arms, who is blind, deaf, or unable to move without the aid of crutches or a wheelchair, or whose mobility is restricted by a permanent cardiovascular, pulmonary or other disabling condition.

(3) "Person with a disability that limits or impairs the ability to walk" has the same meaning as in Ohio R.C. 4503.44.

(ORC 4511.69)

351.05 MANNER OF ANGLE PARKING.

Upon streets where angle parking is permitted, no person shall stop, stand or park a vehicle other than at the angle to the curb or edge of the roadway as is indicated by appropriate signs or markings.

No person shall stop, stand or park a vehicle upon any roadway for the principal purpose of:

- (a) Displaying such vehicle for sale;

351.07 UNATTENDED VEHICLE: DUTY TO STOP ENGINE, REMOVE KEY, SET BRAKE AND TURN WHEELS.

(a) No person driving or in charge of a motor vehicle shall permit it to stand unattended without first stopping the engine, locking the ignition, removing the key from the ignition, effectively setting the parking brake, and, when the motor vehicle is standing upon any grade, turning the front wheels to the curb or side of the highway.

The requirements of this section relating to the stopping of the engine, locking of the ignition and removing the key from the ignition of a motor vehicle do not apply to any of the following:

- (1) A motor vehicle that is parked on residential property;
- (2) A motor vehicle that is locked, regardless of where it is parked;
