(c) Whoever violates this section is guilty of illegal dispensing of drug samples. If the drug involved in the offense is a dangerous drug or a compound, mixture, preparation, or substance included in Schedule III, IV, or V, or is marihuana, the penalty for the offense shall be determined as follows:

(1) Except as otherwise provided in subsection (c)(2) hereof, illegal dispensing of drug samples is a misdemeanor of the second degree.

(2) If the offense was committed in the vicinity of a school or in the vicinity of a juvenile, illegal dispensing of drug samples is a misdemeanor of the first degree.

(d) (1) If the offender is a professionally licensed person, in addition to any other sanction imposed for a violation of this section, the court immediately shall comply with Ohio R.C. 2925.38.

(2) If the offender has a driver's or commercial driver's license or permit, Ohio R.C. 2929.33 applies. (ORC 2925.36)

513.09 CONTROLLED SUBSTANCE OR PRESCRIPTION LABELS.

(a) As used in this section, "repackager" and "outsourcing facility" have the same meanings as in ORC 4729.01.

Whenever a manufacturer sells a controlled substance, and whenever a wholesaler, repackager, or outsourcing facility sells a controlled substance in a package the wholesaler, repackager or outsourcing facility has prepared, the manufacturer or the wholesaler, repackager or outsourcing facility, as the case may be, shall securely affix to each package in which the controlled substance is contained a label showing in legible English the name and address of the vendor and the quantity, kind, and form of controlled substance contained therein. No person, except a pharmacist for the purpose of dispensing a controlled substance upon a prescription shall alter, deface or remove any label so affixed.

(b) Except as provided in subsection (c) of this section, when a pharmacist dispenses any controlled substance on a prescription for use by a patient, or supplies a controlled substance to a licensed health professional authorized to prescribe drugs for use by the professional in personally furnishing patients with controlled substances, the pharmacist shall affix to the container in which the controlled substance is dispensed or supplied a label showing the following:

(1) The name and address of the pharmacy dispensing or supplying the controlled substance;

(2) The name of the patient for whom the controlled substance is prescribed and, if the

patient is an animal, the name of the owner and the species of the animal;

(3) The name of the prescriber;

(4) All directions for use stated on the prescription or provided by the prescriber;

(5) The date on which the controlled substance was dispensed or supplied;

(6) The name, quantity and strength of the controlled substance and, if applicable, the name of the distributor or manufacturer.

(c) The requirements of subsection (b) of this section do not apply when a controlled substance is prescribed or supplied for administration to an ultimate user who is institutionalized.

(d) A licensed health professional authorized to prescribe drugs who personally furnishes a controlled substance to a patient shall comply with division (A) of ORC 4729.291 with respect to labeling and packaging of the controlled substance.

(e) No person shall alter, deface, or remove any label affixed pursuant to this section as long as any of the original contents remain.

(f) Every label for a schedule II, III or IV controlled substance shall contain the following warning: "Caution: federal law prohibits the transfer of this drug to any person other than the patient for whom it was prescribed". (ORC 3719.08)

(g) Whoever violates this section is guilty of a misdemeanor of the first degree. If the offender has previously been convicted of a violation of this section, Ohio R.C. 3719.07 or 3719.08 or a drug abuse offense, such violation is a felony and shall be prosecuted under appropriate State law. (6) Any oral or written instruction provided with the equipment, product or material concerning its use;

(7) Any descriptive material accompanying the equipment, product or material and explaining or depicting its use;

(3) Division (B)(2) of Ohio R.C. 2925.11 applies with respect to a violation of subsection (c)(1) of this section when a person seeks or obtains medical assistance for another person who is experiencing a drug overdose, a person experiences a drug overdose and seeks medical assistance for that overdose, or a person is the subject of another person seeking or obtaining medical assistance for that overdose.
