E. "Transaction scan device." Any commercial device or combination of devices used at a point of sale that is capable of deciphering in an electronically readable format the information encoded on the magnetic strip or bar code of a driver's or commercial driver's license or an identification card.

(2) A. A seller or an agent or employee of a seller may perform a transaction scan by means of a transaction scan device to check the validity of a driver's or commercial driver's license or identification card presented by a card holder as a condition for selling, giving away or otherwise distributing to the card holder cigarettes, other tobacco products, or alternative nicotine products.

B. If the information deciphered by the transaction scan performed under subsection (b)(2)A. of this section fails to match the information printed on the driver's or commercial driver's license or identification card presented by the card holder, or if the transaction scan indicates that the information so printed is false or fraudulent, neither the seller nor any agent or employee of the seller shall sell, give away or otherwise distribute any cigarettes, other tobacco products, or alternative nicotine products to the card holder.

C. Subsection (b)(2)A. of this section does not preclude a seller or an agent or employee of a seller from using a transaction scan device to check the validity of a document other than a driver's or commercial driver's license or identification card, if the document includes a bar code or magnetic strip that may be scanned by the device, as a condition for selling, giving away or otherwise distributing cigarettes, other tobacco products, or alternative nicotine products to the person presenting the document.

(3) Rules adopted by the Registrar of Motor Vehicles under Ohio R.C. 4301.61(C) apply to the use of transaction scan devices for purposes of this subsection (b) and subsection (c) of this section.

(4) A. No seller or agent or employee of a seller shall electronically or mechanically record or maintain any information derived from a transaction scan, except for the following:

1. The name and date of birth of the person listed on the driver's or commercial driver's license or identification card presented by the card holder;

2. The expiration date and identification number of the driver's or commercial driver's license or identification card presented by the card holder.

B. No seller or agent or employee of a seller shall use the information that is derived from a transaction scan or that is permitted to be recorded and maintained under subsection (b)(4)A. of this section, except for purposes of subsection (c) of this section.

C. No seller or agent or employee of a seller shall use a transaction scan device for a purpose other than the purpose specified in subsection (c)(2)A. of this section.

D. No seller or agent or employee of a seller shall sell or otherwise disseminate the information derived from a transaction scan to any third party, including but not limited to selling or otherwise disseminating that information for any marketing, advertising or promotional activities, but a seller or agent or employee of a seller may release that information pursuant to a court order or as specifically authorized by subsection (c) of this section or another section of these Codified Ordinances or the Ohio Revised Code.

(5) Nothing in this subsection (b) or subsection (c) of this section relieves a seller or an agent or employee of a seller of any responsibility to comply with any other applicable local, state or federal laws or rules governing the sale, giving away or other distribution of cigarettes, other tobacco products, or alternative nicotine products.

(6) Whoever violates subsection (b)(2)B. or (b)(4) of this section is guilty of engaging in an illegal tobacco product or alternative nicotine product transaction scan, and the court may impose upon the offender a civil penalty of up to one thousand dollars (\$1,000) for each violation. The Clerk of the Court shall pay each collected civil penalty to the County Treasurer for deposit into the County Treasury.

(ORC 2927.021)

(c) Affirmative Defenses.

(1) A seller or an agent or employee of a seller may not be found guilty of a charge of a violation of subsection (a) of this section in which the age of the purchaser or other recipient of cigarettes, other tobacco products, or alternative nicotine products is an element of the alleged violation, if the seller, agent or employee raises and proves as an affirmative defense that all of the following occurred:

A. A card holder attempting to purchase or receive cigarettes, other tobacco products, or alternative nicotine products presented a driver's or commercial driver's license or an identification card.

B. A transaction scan of the driver's or commercial driver's license or identification card that the card holder presented indicated that the license or card was valid.

C. The cigarettes, other tobacco products, or alternative nicotine products were sold, given away or otherwise distributed to the card holder in reasonable reliance upon the identification presented and the completed transaction scan.

(2) In determining whether a seller or an agent or employee of a seller has proven the affirmative defense provided by subsection (c)(1) of this section, the trier of fact in the action for the alleged violation of subsection (a) of this section shall consider any written policy that the seller has adopted and implemented and that is intended to prevent violations of subsection (a) of this section. For purposes of subsection (c)(1)C. of this section, the trier of fact shall consider that reasonable reliance upon the identification presented and the completed transaction scan may require a seller or an agent or employee of a seller to exercise reasonable diligence to determine, and that the use of a transaction scan device does not excuse a seller or an agent or employee of a seller from exercising reasonable diligence to determine, the following:

A. Whether a person to whom the seller or agent or employee of a seller sells, gives away or otherwise distributes cigarettes, other tobacco products, or alternative nicotine products is twenty-one years of age or older;

B. Whether the description and picture appearing on the driver's or commercial driver's license or identification card presented by a card holder is that of the card holder.

(3) In any criminal action in which the affirmative defense provided by subsection (c)(1) of this section is raised, the Registrar of Motor Vehicles or a Deputy Registrar who issued an identification card under Ohio R.C. 4507.50 to 4507.52 shall be permitted to submit certified copies of the records of that issuance in lieu of the testimony of the personnel of or contractors with the Bureau of Motor Vehicles in the action.
