(c) Zoning District Map. All land within the City of Sheffield Lake shall be placed into at least one of the zoning districts established in Table 1107-1: Zoning Districts, and such zoning shall be shown on the Zoning Map of Sheffield Lake, Ohio. The Zoning Map, together with all explanatory data thereon, including all changes thereof as hereinafter provided, shall be incorporated and made a part of this code, thereby having the same force and effect as if fully described in writing.

(d) Interpretation of Zoning District Boundaries. The boundaries of the zoning districts are shown upon the Zoning Map. When uncertainty exists with respect to the boundaries of zoning districts as shown on the Zoning Map, the following rules shall apply:

(1) Where zoning district boundary lines are indicated as approximately following a lot line, such lot line shall be the zoning district boundary.

(2) Where zoning district boundary lines are indicated as approximately following a center line of a street or highway, alley, railroad easement, or other right-of-way, or a river, creek, or other watercourse, such centerline shall be the zoning district boundary. In the event of a natural change in the location of such streams, rivers, or other water courses, the zoning district boundary shall be construed as moving with the channel centerline.

(3) Where zoning district boundary lines are indicated as approximately following City limits, such City limits shall be the zoning district boundary.

(4) When the actual street, right-of-way, property line boundary or other existing ground condition is in conflict with that shown on the Zoning Map, the BZBA shall provide the necessary interpretation. The person contesting the location of the district boundary shall be given a reasonable opportunity to present their case to the City and to submit technical evidence if so desired pursuant to the appeals process as established in Section 1105.10: Appeals.

(e) Vacation of Public Rights-of-Way. Whenever any street, alley or other public way is vacated in a manner authorized by law, the zoning district adjoining each side of such street, alley or public way shall be automatically extended to the center of such vacation and all areas included in the vacation shall then and henceforth be subject to all regulations of the extended district. (Ord. 26-22. Passed 4-26-22.)
