

137.24 CONTRACTING FOR BUILDING DEPARTMENT SERVICES

Notwithstanding any other Ordinance or Resolution to the contrary, the Mayor may, with the approval of City Council, elect to enter into a Professional Services Agreement with an outside company for the provision of any or all Building Department Services. The terms of such an Agreement shall prevail over the terms of any Ordinances or Resolutions, including pay Ordinances, which may be in conflict therewith during the duration of the Agreement. The Agreement shall at a minimum provide for the scope of services to be provided and the rates to be charged for such services. The Agreement shall also set forth the entity, or individual to be designated as Chief Building Official and all other required positions so as to maintain the City's Certified Residential and Commercial status with the State of Ohio.
